Thuraya Land Voice Accessories

An accessory for your
every need

THURAYA 

Thuraya's Handset Portfolio

Thuraya has built up a strong portfolio of satellite handsets, with products available that cater for the specific needs of different markets. Thuraya's handsets successfully serve Governments, Militaries, NGOs, Energy and other companies, Seafarers and Adventurers across Thuraya's satellite coverage which covers more than 160 countries in Europe, Africa, Asia and Australia.

Thuraya XT-PRO DUAL *Dual mode. Dual SIM.*

The Thuraya XT-PRO DUAL is the world's first dual-mode, dual-SIM phone, bridging the gap between satellite and terrestrial communications.

Thuraya SatSleeve+ *It's Your World. Your Phone. Your Call.*

The perfect blend of mobility and simplicity, the Thuraya SatSleeve+ is the fastest way to transform your phone into a satellite smartphone.

Thuraya XT-PRO *Universally professional.*

Designed for professional users, Thuraya XT-PRO is ruggedized and equipped with the longest battery life on any satellite phone, ensuring connectivity no matter where you go.

Thuraya SatSleeve Hotspot *Portable Wi-Fi Hotspot via satellite.*

Connect your smartphone via Wi-Fi to the SatSleeve Hotspot and you have the option to be in the comfort of an indoor location while the Hotspot is outside and facing the satellite.

Thuraya XT-LITE *Simple. Reliable. Affordable.*

The Thuraya XT-LITE provides reliable satellite phone connectivity with unbeatable value. It is designed for cost-conscious users who need to stay securely connected, without compromising on a clear and uninterrupted satellite connection.

Thuraya Land Voice Accessory Portfolio

Thuraya offers a wide range of accessories to complement your Thuraya handset. These accessories are designed to provide greater mobility and flexibility when using your Thuraya phone.

External Handset Antennas

For improved satellite signal reception when used on the move (e.g. in boats or cars) or in areas at the edge of the Thuraya coverage. Simply connect the antenna cable (5m length) with your Thuraya handset and place the magnetic mounted antenna (IP66 rating) in a position with direct line of sight to the Thuraya satellite.

Specifications:

- Frequency: 1525 - 1660.5 MHz
- Impedance: 50 ohm
- Color: White (glossy)
- Diameter: 111 mm
- Mounting: Magnetic
- Height Above Roof: 36.5 mm
- Operating Temperature: -40°C to +70°C

Available for: *Thuraya XT-PRO DUAL, Thuraya XT-PRO, Thuraya XT-LITE, Thuraya SatSleeve+, Thuraya SatSleeve Hotspot, Thuraya XT*

Thuraya XT-Hotspot

Thuraya XT-Hotspot gives you the world's fastest Wi-Fi via satellite phones. It offers a plug-and-play solution, enabling easy and economical Internet access over Thuraya's mobile satellite network with fast data speeds of up to 60 kbps. The XT-Hotspot uses the GmPRS connection of your Thuraya handset for quick and secure Internet connectivity in the most remote locations.

Available for: *Thuraya XT-PRO, Thuraya XT*

Connect multiple wireless devices including your Smartphones, laptops and tablets. It's a plug and play product without any need to install software.

Standards	IEEE 802.11n, IEEE 802.11g, IEEE 802.11b
Wireless Signal Rates	11n: Up to 150Mbps (dynamic) 11g: Up to 54Mbps (dynamic) 11b: Up to 11Mbps (dynamic)
Frequency Range	2.4-2.4835GHz
Security	WEP, WPA-PSK/WPA2-PSK
Interface	1 10/100Mbps LAN Port USB 2.0 Port for Thuraya XT/XT-PRO Micro USB port for power supply
Power Adapter	Input: 110/220 Volt, Output: 5 Volt, 1A
Operating Temperature	15°C to 40°C
Storage Temperature	-20°C to 50°C
Operating Humidity	0% to 75%, non-condensing
Storage Humidity	0% to 75% non-condensing
Certifications	CE, FCC, RoHS

Solar Chargers

Solar chargers enable you to charge your Thuraya handset using solar power if you don't have access to electricity.

Available for: [All Thuraya handsets](#)

Car Chargers

A car charger ensures your Thuraya phone is never out of power while you are on the move. It provides non-stop operation of your handset by charging your phone while you drive.

Available for: [All Thuraya handsets](#)

Spare Travel Chargers

The travel charger comes with EU/UK/AUS/CHN plugs and connects your phone to a mains socket. The exchangeable plugs allow charging in most parts of the world.

Available for: *All Thuraya handsets*

Spare Batteries

An additional battery works as a back-up for your Thuraya handset. A fully charged spare battery extends usage time in areas where you don't have access to electricity.

Available for: *All Thuraya handsets*

Spare USB Data Cables

The USB data cable enables you to connect to a computer to upgrade the software of your Thuraya handset in case a new software version is released for it. With compatible handsets, it also allows you to send and receive data and faxes on your laptop/PC.

Available for: *All Thuraya handsets*

Universal Adaptor for SatSleeve

The universal adaptor is for the SatSleeve user who prefers to use the smartphone docked to the satellite unit and can hold smartphones between 58 and 85 mm of width. The universal adaptor can be used to convert a SatSleeve Hotspot into a SatSleeve+.

Available for: *Thuraya SatSleeve+, Thuraya SatSleeve Hotspot*

Hotspot Stand for SatSleeve

The hotspot stand is for the SatSleeve user who prefers to use the smartphone separated from the satellite unit. Use the hotspot stand with your SatSleeve+ to turn it into a satellite hotspot.

Available for: *Thuraya SatSleeve+, Thuraya SatSleeve Hotspot*

Wrist strap

Attach a wrist strap for added convenience and security.

Available for: *THURAYA XT-PRO DUAL*
