Thuraya Land Voice Accessories
An accessory for your every need
Thuraya has built up a strong portfolio of satellite handsets, with products available that cater for the specific needs of different markets. Thuraya’s handsets successfully serve Governments, Militaries, NGOs, Energy and other companies, Seafarers and Adventurers across Thuraya’s satellite coverage which covers more than 160 countries in Europe, Africa, Asia and Australia.

### Thuraya’s Handset Portfolio

**Thuraya XT-PRO DUAL**  
Dual mode. Dual SIM.  
The Thuraya XT-PRO DUAL is the world’s first dual-mode, dual-SIM phone, bridging the gap between satellite and terrestrial communications.

**Thuraya XT-PRO**  
Universally professional.  
Designed for professional users, Thuraya XT-PRO is ruggedized and equipped with the longest battery life on any satellite phone, ensuring connectivity no matter where you go.

**Thuraya XT-LITE**  
The Thuraya XT-LITE provides reliable satellite phone connectivity with unbeatable value. It is designed for cost-conscious users who need to stay securely connected, without compromising on a clear and uninterrupted satellite connection.

**Thuraya SatSleeve+**  
It’s Your World. Your Phone. Your Call.  
The perfect blend of mobility and simplicity, the Thuraya SatSleeve+ is the fastest way to transform your phone into a satellite smartphone.

**Thuraya SatSleeve Hotspot**  
Portable Wi-Fi Hotspot via satellite.  
Connect your smartphone via Wi-Fi to the SatSleeve Hotspot and you have the option to be in the comfort of an indoor location while the Hotspot is outside and facing the satellite.
Thuraya Land Voice Accessory Portfolio

Thuraya offers a wide range of accessories to complement your Thuraya handset. These accessories are designed to provide greater mobility and flexibility when using your Thuraya phone.

### Fixed Docking Units

**Thuraya Land Voice Accessories**

Fixed Docking Units are home/office docking adaptors that allow you to use Thuraya satellite services in indoor environments. Simply connect the Fixed Docking Unit with the included antennas and dock your Thuraya handset into the cradle to enjoy all standard satellite services.

* Works as a vehicle phone holder with external antenna while using the microphone and earset of the handset.

### Complementing Thuraya phones

Available for: Thuraya XT-PRO DUAL, Thuraya XT

**FDU-XT**

Available for: Thuraya XT-PRO, Thuraya XT

**FDU-XT-PLUS**

Available for: Thuraya XT-PRO DUAL

**Easy to install and operate**

- Supports high-quality voice transmission via auxiliary handset, speakerphone or any analogue extension telephone
- Charges your satellite phone while docked in the cradle
- Supports GmPRS services with USB port or DTE (downlink speed up to 60 kbps/uplink up to 15 kbps)
- Supports circuit switched data service at speeds up to 9.6 kbps
- Supports selected Group3 analogue fax machines and PC fax at speeds up to 9.6 kbps
- Supports PABX connection
- Bluetooth 3.0 (only on FDU-XT PLUS)
Fixed Docking Units Specifications

**FDU-XT**
- Land installation
- Dimensions: 221 x 176 x 80 mm (W x H x D)
- Interfaces:
  - 3 x RJ-11: • External telephone connection
    - • Satellite antenna connection
  - 1 x RS-232 serial connection
  - 1 x USB PC connection
  - 2 x SMA connectors:
    - • Satellite antenna connection
    - • GPS antenna connection
  - 3.5mm external speaker jack

**FDU-XT PLUS**
- Marine installation
- Dimensions: 198 x 235 x 86 mm (W x H x D)
- Interfaces:
  - 3 x RJ-11: • External telephone connection
    - • Satellite antenna connection
  - 1 x RS-232 serial connection
  - 1 x USB PC connection
  - 2 x SMA connectors:
    - • Satellite antenna connection
    - • GPS antenna connection
  - 3.5mm external speaker jack

**Package**
- FDU-XT main unit
- Auxiliary handset
- SAT antenna with 25m cable
- GPS antenna with 25m cable
- Mounting kit
- Universal power supply (Input: 100-240V AC, Output: 12V DC)
- USB cable
- RJ-11 cable
- Support CD
- User manual

Vehicle Docking Kits

Vehicle Docking Kits ensure easy and reliable hands-free communication in vehicles, which allows for safe and comfortable driving.

Simply insert the Thuraya device into the adjustable phone cradle, connect the antenna, the loudspeaker, and the microphone, and start enjoying satellite connectivity on the move.

The vehicle kits provide the following functions:
- Docking capability for Thuraya phones
- Charging function while docked
- Voice calls
- GmPRS (packet data)
- Circuit switched data
- Loudspeaker and microphone

Available for:
- Thuraya XT-PRO DUAL
- Thuraya XT-PRO
- Thuraya XT

Basic functionality*:
- Thuraya XT-LITE
- SatSleeve+
- SatSleeve Hotspot

*Works also as a vehicle phone holder with external antenna for Thuraya XT-LITE, SatSleeve+ and SatSleeve Hotspot, while using the microphone and earset of the handset.
Indoor Repeaters enable you to use Thuraya’s handsets in indoor environments. It provides indoor coverage of up to 500 square meters via the outdoor antenna which also ensures maximum signal strength. The indoor repeater is easy to install and supports voice, data/fax, SMS and GmPRS in satellite mode.

There are two versions available, the Single-Channel Repeater, which enables indoor usage for one user at a time, and the Multi-Channel Repeater, which supports indoor usage on up to ten satellite handsets simultaneously. Available for: All Thuraya handsets

External Handset Antennas

For improved satellite signal reception when used on the move (e.g. in boats or cars) or in areas at the edge of the Thuraya coverage. Simply connect the antenna cable (5m length) with your Thuraya handset and place the magnetic mounted antenna (IP66 rating) in a position with direct line of sight to the Thuraya satellite.

Specifications:
- Frequency: 1525 - 1660.5 MHz
- Impedance: 50 ohm
- Color: White (glossy)
- Diameter: 111 mm
- Mounting: Magnetic
- Height Above Roof: 36.5 mm
- Operating Temperature: -40°C to +70°C

Available for: Thuraya XT-PRO DUAL, Thuraya XT-PRO, Thuraya XT-LITE, Thuraya SatSleeve+, Thuraya SatSleeve Hotspot, Thuraya XT

Thuraya XT-Hotspot gives you the world’s fastest Wi-Fi via satellite phones. It offers a plug-and-play solution, enabling easy and economical Internet access over Thuraya’s mobile satellite network with fast data speeds of up to 60 kbps. The XT-Hotspot uses the GmPRS connection of your Thuraya handset for quick and secure Internet connectivity in the most remote locations.

Available for: Thuraya XT-PRO, Thuraya XT

Connect multiple wireless devices including your Smartphones, laptops and tablets. It’s a plug and play product without any need to install software.

**Thuraya Land Voice Accessories**

**Solar Chargers**

Solar chargers enable you to charge your Thuraya handset using solar power if you don’t have access to electricity.

Available for: All Thuraya handsets

**Car Chargers**

A car charger ensures your Thuraya phone is never out of power while you are on the move. It provides non-stop operation of your handset by charging your phone while you drive.

Available for: All Thuraya handsets

**Spare USB Data Cables**

The USB data cable enables you to connect to a computer to upgrade the software of your Thuraya handset in case a new software version is released for it. With compatible handsets, it also allows you to send and receive data and faxes on your laptop/PC.

Available for: All Thuraya handsets

**Universal Adaptor for SatSleeve**

The universal adaptor is for the SatSleeve user who prefers to use the smartphone docked to the satellite unit and can hold smartphones between 58 and 85 mm of width. The universal adaptor can be used to convert a SatSleeve Hotspot into a SatSleeve+.

Available for: Thuraya SatSleeve+, Thuraya SatSleeve Hotspot

**Hotspot Stand for SatSleeve**

The hotspot stand is for the SatSleeve user who prefers to use the smartphone separated from the satellite unit. Use the hotspot stand with your SatSleeve+ to turn it into a satellite hotpsot.

Available for: Thuraya SatSleeve+, Thuraya SatSleeve Hotspot

**Spare Travel Chargers**

The travel charger comes with EU/UK/AUS/CHN plugs and connects your phone to a mains socket. The exchangeable plugs allow charging in most parts of the world.

Available for: All Thuraya handsets

**Spare Batteries**

An additional battery works as a back-up for your Thuraya handset. A fully charged spare battery extends usage time in areas where you don’t have access to electricity.

Available for: All Thuraya handsets

**Wrist strap**

Attach a wrist strap for added convenience and security.

Available for: THURAYA XT–PRO DUAL
